

10 KEYS ACTION PROMPTS

Work at Multiple Scales

Who can you connect to outside of your own sphere to use your experience or learning to influence policy or practice?

Make Community Building Visual

How can you use infographics or story telling to share your experience or learning?

Prioritize Equity and Power Sharing

How can you use your influence to shine a light on the work, knowledge or insights of people who are often left out of mainstream decision making?

Let Values Lead

What are the values that you surfaced through your work?
How can your work be brought to different spaces using shared values as the common element?

Learn Together

What kind of learning opportunities could you host to share your learning and experiences and glean other perspectives?

Facilitate Collaborative Processes

Who might you work with in the future to further this work?
How could you go about collaborating with them?

Embrace the Messiness

How does your learning, experience interact with other organizations, groups, disciplines or sectors?

Create Connected Communities from the Inside Out

What more do you need to learn or do before the insights and learnings from your work can be useful to others?

Build Creative Infrastructure

What tools, templates or processes would make the insights, relationships and learnings from your work more useful?

Build on Everyone's Strengths

What assets can you leverage to build on the learnings/successes of your project?
